

## DAY 1: 28 MAY 2026

10:00 – 11:15	<p><b>Opening Session</b></p> <p>The session will open with welcome remarks by <b>Mónica García Gómez</b>, Minister of Health of Spain and <b>Mark Pearson</b>, Acting Director of the Directorate for Employment, Labour and Social Affairs of the Organisation for Economic Co-operation and Development.</p> <p>The programme will continue with pre-recorded keynote addresses from selected OECD Health Ministers.</p> <p>Facilitator: <b>Eric Sutherland</b>, Senior Health Economist, OECD</p>
11:15 – 11:45	Coffee break
11:45 – 13:50	<p><b>Shifting the Patient-Provider Relationship with Trust</b></p> <p>This session explores how health systems can build and scale public trust in AI, examining its impact on the patient-provider relationship and identifying concrete actions to foster confidence, transparency, and accountability in AI tools.</p> <p>The programme will open with a keynote address by Jennifer Dixon, Chief Executive of the Health Foundation, followed by a panel discussion bringing together diverse perspectives on what successful AI integration looks like in practice and its implications for the future of care.</p> <p>It will conclude with three spotlight deep-dives spanning the patient, the provider, and young people's perspectives on the health systems of tomorrow.</p> <p>Keynote: <b>Jennifer Dixon</b>, Chief Executive, the Health Foundation</p> <p style="text-align: center;">----</p> <p>Facilitator: <b>Ilona Kickbusch</b>, Director, Digital Transformations for Health Lab</p> <p>Speaker: <b>An-Kwok Ian Wong</b>, Assistant Professor of Medicine, Duke University School of Medicine</p> <p>Speaker: <b>Afua van Hassteren</b>, Director of Health Policy &amp; External Affairs: Data &amp; Digital Policy, Roche</p> <p>Speaker: <b>Bogi Eliassen</b>, Chief Executive Director, Movement Health Foundation</p> <p>Speaker: <b>Gözde Susuzlu Briggs</b>, Senior Programme Manager, European Patients Forum</p> <p style="text-align: center;">----</p> <p>Speaker: <b>Lee Hibbard</b>, Council of Europe</p> <p>Speaker: <b>Leah Stephenson</b>, Strategic Lead, All.Can Canada</p> <p>Speaker: <b>Eva Weicken</b>, Chief Medical Officer, Fraunhofer Heinrich-Hertz-Institut</p> <p>Speaker: <b>Ramin Parsa-Parsi</b>, Secretary General, World Medical Association</p> <p>Speaker: <b>Aferdita Bytyqi</b>, Executive Director and Founding Partner, Digital Transformations for Health Lab</p> <p>Speaker: <b>Erza Selmani</b>, Researcher and Research Fellow, Digital Transformations for Health Lab</p>
13:30 – 15:00	Lunch break

15:00 – 16:45	<p><b>From Pilots to Practice: Scaling Responsibly in Health</b></p> <p>This session will outline key enablers across infrastructure, people, policies and processes to accelerate the responsible scaling of AI in health by highlighting incentives to cooperate across countries.</p> <p>The programme will open with a keynote address by Brian Anderson, Chief Executive Officer of Coalition for Health AI. Participants will then split into four breakout groups, to discuss identified actions within the <i>enablers</i> pillar of the expert-informed AI Action Plan:</p> <ul style="list-style-type: none"> <li>• Unlock Trusted Data Networks</li> <li>• Establish Evaluation and Assurance Networks</li> <li>• Accelerate integration and scale</li> <li>• Enable competitiveness and adaptability</li> </ul> <p>It will conclude with a dynamic plenary panel bringing together breakout facilitators to synthesize insights, identify common practices, and prioritise actions to operationalise the AI Action Plan.</p> <p>Keynote and Facilitator: <b>Brian Anderson</b>, Chief Executive Officer, Coalition for Health AI</p> <p>Facilitator: <b>Mathilde Forslund</b>, Chief Executive Officer, Transform Health</p> <p>Facilitator: <b>Brenton Hill</b>, Head of Operations and General Counsel, Coalition for Health AI</p> <p>Facilitator: <b>Belen Fraile Ortiz</b>, Chief R&amp;D Data Officer, Johnson &amp; Johnson Innovative Medicine</p> <p>Facilitator: <b>Giovanni Briganti</b>, Chair of AI and Digital Medicine, Head of computational medicine and neuropsychiatry, University of Mons</p>
16:45 – 17:00	Closing remarks

## DAY 2: 29 MAY 2026

10:00 – 10:15	<p><b>Introduction Day 2</b></p> <p>The session will begin with remarks by <b>Mark Pearson</b>, Acting Director of the Directorate for Employment, Labour and Social Affairs of the Organisation for Economic Co-operation and Development.</p>
10:15 – 12:00	<p><b>From Code to Care: Operationalising Safe Adoption of AI in Clinical Practice</b></p> <p>This session will outline required safeguards to ensure AI in healthcare ‘does no harm’, through data protection, human oversight and effective regulation to protect patients and empower providers.</p> <p>The programme will open with a keynote address by Ricardo Baptista Leite, Chief Executive Officer of HealthAI - The Global Agency for Responsible AI in Health. Participants will split into four breakout groups to discuss identified actions within the <i>safeguards</i> pillar of the expert-informed AI Action Plan:</p> <ul style="list-style-type: none"> <li>• Embed Privacy and Security by Design</li> <li>• Preserve human oversight</li> <li>• Support pre- and post-deployment safeguards</li> <li>• Continuous improvement</li> </ul>

	<p>It will conclude with a dynamic plenary panel bringing together breakout facilitators to synthesize insights, surface common practices, and prioritise actions to operationalise the AI Action Plan.</p> <p>Keynote and Facilitator: <b>Ricardo Baptista Leite</b>, Chief Executive Officer, HealthAI - The Global Agency for Responsible AI in Health</p> <p>Facilitator: <b>Saira Ghafur</b>, Lead of Digital Health, Institute of Global Health Innovation, Imperial College London and Co-Founder, Prova Health</p> <p>Facilitator: <b>Timo Minssen</b>, Professor and Director of Centre for Advanced Studies in Bioscience Innovation Law (CeBIL), University of Copenhagen</p> <p>Facilitator: <b>Paul Campbell</b>, Chief Regulatory Officer, HealthAI - The Global Agency for Responsible AI in Health</p> <p>Facilitator: <b>David Lowe</b>, Professor, Director Healthtech Innovation &amp; Translation Lab., University of Glasgow</p> <p>Facilitator: <b>Ariel Dora Stern</b>, Alexander-von-Humboldt Professor, Hasso Plattner Institute</p>
12:00 – 12:30	Coffee break
12:30 – 13:15	<p><b>Next Steps: Collective Action for Collective Impact by Scaling Health AI</b></p> <p>This session will gather high-level speakers to discuss and prioritise the relevant next steps to operationalise the expert-informed Action Plan and incentivize co-operation to responsibly scale AI in health.</p> <p>Facilitator: <b>Dipak Kalra</b>, President, European Institute for Innovation through Health Data</p> <p>Speaker: <b>Bekure Tamirat</b>, Unit Lead, Africa Centres for Disease Control and Prevention</p> <p>Speaker: <b>David Novillo Ortiz</b>, Unit Head and Regional Adviser, Data and Digital Health, WHO/Europe</p> <p>Speaker: <b>Ilona Kickbusch</b>, Director, Digital Transformations for Health Lab</p> <p>Speaker: <b>Michael Pencina</b>, Chief AI Scientist, UnitedHealth Group</p> <p>Speaker: <b>Yiannos Toliás</b>, Legal Lead, European Commission</p>
13:15 – 13:30	<p><b>Closing Remarks</b></p> <p>The conference will conclude with closing remarks by <b>Javier Padilla Bernáldez</b>, Secretary of State for Health of Spain and <b>Chris Mullin</b>, Chair of the Health Committee for the Organisation of Economic Co-operation and Development.</p>
13:30 – 14:30	Lunch and conference closure.
