

#contralatrata demujeres YOU OUGHT TO KNOW

I SAW THE CHANCE OF A BETTER LIFE
AND NOW I'M TRAPPED

Thousands of women are tricked,
threatened, abused and forced to pay off
a non-existent debt.

They fear reprisals if they tell the truth about
their situation. Help them to regain their
freedom.

If you tolerate it,
you encourage it.

If you report it,
you help to stop it.

If you take advantage of it,
you are part of it.
